

ORACLE®
CERTIFICATION PROGRAM

Examination Score Report
Pablo Monteserín Fernández
Oracle Testing ID: OC2067431
 1Z0-811 Java Foundations

Exam Date: 07/11/2020
Registration: 377679828
Center ID: Proctored

Your Score: 81% **Passing Score:** 65% **Result:** Pass

Feedback on your performance is printed below. The report lists the objectives for which you answered a question incorrectly.

- Compare and contrast the for, while, and do-while loops
- Create a new class including a main method
- Create and manipulate an ArrayList
- Declare and initialize a String variable
- Declare and initialize variables including a variable using final
- Describe a static method and demonstrate its use within a program
- Describe the components of a basic Java program
- Describe the components of object-oriented programming
- Format Strings using escape sequences including %d, %n, %s
- Handle common exceptions thrown in Java
- Use exception handling
- Use the increment and decrement operators
- Use the private modifier

If this is the final exam in your certification path, you are required to complete the following steps.

- Visit certification.oracle.com and select your certification path to ensure you are aware of all certification requirements.
 - Note that completion of the required training and approval of the course submission form are also required in paths that require training.
- Check certview.oracle.com to confirm that all completed components are in your profile.
 - If exams that you have taken do not show up, you may have taken them under a different Oracle Testing ID.
 - Contact www.pearsonvue.com/oracle/contact to merge your IDs (provide all IDs under which you have taken exams or submitted forms and confirm which ID should be the 'surviving id').
